

# Quarter Breaks/Summer/Holiday Parking

## Quarter Break Parking

During Quarter Breaks, all remote parking permits (WA, WB, WC, WCE, WC5, and CX) may park in a Main Campus "C" space 24 hours a day. (This does not include "CP" parking spaces.) Quarter Breaks does not include finals week. There is reduced bus service during Quarter Breaks, so please visit our web site at [www.tp.osu.edu](http://www.tp.osu.edu) for specific schedule information.

## Summer Quarter Parking

Due to the reduced level of bus service and number of people utilizing the parking on Central Campus during Summer Quarter, students, faculty, and staff with West Campus or CX parking permits may upgrade their parking permit to a Central Campus parking permit. To upgrade, customers need to bring their West Campus or CX parking permit back to room 160 Bevis Hall, complete a new application card, and pay the difference in price between the West Campus/CX and Central Campus parking permit.

Central campus permits will be required to park on central campus M-F, from 5am-4pm. Any customer currently holding a west campus or CX permit that wishes to park on central campus must upgrade to a central campus permit.

Customers who would like to upgrade to a daytime garage permit for Summer Quarter only should inquire about availability by calling (614)292-9341.

CABS bus service is reduced during Summer Quarter. Additional information may be found in our CABS Master Schedule Brochure, on our web site at [www.tp.osu.edu](http://www.tp.osu.edu), or by calling 292-9341.

## Holiday Parking

During University observed holidays, any valid OSU parking permit may park in any unrestricted "A", "B", or "C" surface space. Since bus service is reduced during the holiday and/or the holiday weekend, dorm residents with a valid parking permit are permitted to move their cars to Central Campus and park in a non-restricted surface lot. (This does not include "CP" parking spaces.) Please see our website at [www.tp.osu.edu](http://www.tp.osu.edu) for specific holiday parking and transportation information.
