We hope the new temporary parking permit program has been meeting your needs for short-term parking permits. As we review the past two year pilot, it will be necessary to make some slight modifications to balance the parking system needs.

Effective September 1, 2008, the following limitations will apply to the temporary single and multi day parking permits:

- Temporary permits were never intended to be valid in timed and restricted parking locations (such as 1 or 2 hour "A" or "A" and "B" spaces). These spaces are reserved for annual permit customers only. As of September 1, the temporary permits will not be valid in spaces with time limitations (primarily these spaces are located on 17<sup>th</sup>, 18<sup>th</sup> and 19<sup>th</sup> Avenues; north of Jennings Hall; and along South Oval Drive).
- Temporary permits will not be valid on home Football Game days unless specifically noted on the front.
- Temporary permits will not be valid for 24 hour parking. Parking with these permits is restricted between the hours of 3am – 5am seven days a week.

We appreciate your compliance with these adjustments to this new program. If you have questions, please consult a Transportation & Parking Services Customer Service Representative who can assist you in purchasing an annual permit.
